We are looking for dynamic self-starters and team players with an interest in finance and investing. We offer an opportunity to join a pan-Baltic investment team. You will learn how to evaluate investment opportunities by performing financial analysis, building industry knowledge, and speaking to entrepreneurs. Successful internships are offered the opportunity join Livonia on a full-time basis.

Livonia Partners started investing in 2015 with €84 million assets under management. We invest in successful companies in the Baltic region and beyond with a strong growth potential. The founders of Livonia Partners, Kristine Berzina, Rain Lõhmus, Mindaugas Utkevicius, and Kaido Veske have created a number of success stories across the Baltic region. We tend to work on investment cases with a broader international strategy. This matches well with the skillset of our team members. We provide buy-out and growth equity capital to companies. Entrepreneurs value our hands-on business development experience, resolve and ambition. Livonia Partners has offices in Vilnius, Riga and Tallinn, with the central office located in Riga.

Your responsibilities will include:

- Building understanding of private equity investing
- Analyzing potential investment targets across the Baltic region; reviewing market, financial and business data
- Learning to assess investment opportunities and to build investment cases
- Meeting people leading and managing companies
- Developing market and industry intelligence for specific cases
- Building investment models
- Having exposure to managing Livonia's portfolio companies

Requirements for the role:

- Self-starter with interest in finance and investing
- Team player working across the Livonia team
- Strong analytical skills and attention to detail
- Understanding fundamentals of financial and business analysis
- Fluent in English and one of Estonian, Latvian or Lithuanian
- Proficiency in Excel and PowerPoint

Please send your CV and cover letter to kaido.veske@livoniapartners.com, with reference "Intern". Applications will be assessed on a rolling basis – first come, first served.
